Humbly ♩ = 65

1. Our Sav - ior, in Geth - se - ma - ne
2. Our Sav - ior, whose hands raised the dead,
3. Our Sav - ior, bleed - ing on the tree
4. Our Sav - ior suf - fered all of these

cried, "Fa - ther, take this cup from me,
were pierced with nails, His blood shed.
from head and feet, and side they flowed free.
so that God's law He did ap - pease,

but if Thou wilt, I'll drink it all";
Sym - bo - lic of His bo - dy torn,
As sym - bols of His blood, so dear
we come to Him, our hearts are rent,

A - ton - ing for our sins, and fall.
We eat the bread, our souls re - born.
We now par - take the wa - ter, clear.
And we par - take His Sa - cra - ment.
