He is The Way; God's per - fect pre - cious Son. I love his gift
He showed His love in how He lived His life. I learn of Him

For performance by children, I recommend cutting out some of the lower, more powerful notes, in the base clef. Doing this, makes the hymn somewhat "lighter".

His will, I'll live with Him a - gain. I'll live with Him a - gain.

The chorus begins in Measure 16 with the words, "The Savior is my Shepherd." It continues to the last two measures which are, "I'll live with Him again" and is sung with a repeat of the last two measures ONLY on the second verse. These last two measures are to be performed with moderate or full volume (the first time) and then as SLOWLY, QUIETLY and REVERENTLY as possible the second time.

The line above it (which starts at measure 18) and is, "who loves and cares for me" is performed with power and strength.

This hymn may be performed by younger children because it speaks of the Savior as a shepherd and children easily relate to this image. The hymn is also recommended for young adults and adults.

Special thanks goes to Steven Garrard who is the soloist. He shares his musical talents generously and improves any piece of music he performs. Special thanks also goes to Paul Rasmussen who is our sound technician and editor. Please contact me if you want to reach either of these gentlemen for musical needs.
