$\text{♩} = 85$

1 There shall come a star out of Beth-le-hem,  
2 There has come a star out of Beth-le-hem,

There will come - a light to the world,  
There are an- - gels sing- ing this night,

There shall come - a star out of Beth-le-hem,  
There has come - a host out of Hea- - ven,

Shine ing up- on a new- born path  
Sing- ing of - a shep- - herd king

Come let us fol- low it, Come let us fol- low it,  
Come hear the sing- - ing, Come hear the sing- - ing,

Let our feet trod in - this light  
Let us feast up- on - their words.
